

September 19, 2008

Dear Parents,

Just a reminder. Senior Night for the senior football players takes place at the November 7<sup>th</sup> game. This year roses are being given to players and cheerleaders BEFORE the game. Make sure any friends or family who want to be present for this are at the field before the game starts. In years previous, this has been done at half time, but that has changed for this year.

Thank you,

Sandwich Gridiron Club
